# The University of Hong Kong
## Department of Psychology
## Neuroscience Major/Minor Declaration

**Important notes**

**a.** Online declaration of Neuroscience major/minor is not available via the SIS during course selection period or add/drop period. Students who would like to declare major/minor in Neuroscience are required to submit an application form to the Department of Psychology one week before the end of add/drop period each semester. Students can start to declare from Year 2 semester one. . Candidates will be vetted based on academic history, including, but not limited to his/her background in the sciences, and overall academic performance. Successful candidates will be informed by the respective faculties about the declaration result before add-drop period each semester.

**b.** Please read the programme details (click here) before completing the form.

**c.** Please complete this form and submit it to Department of Psychology via ugpsyc@hku.hk together with the **Student Copy of Academic Transcript**. *[Navigation path: SIS Menu > Academic Records> Transcript (Student Copy)]*

**d.** For enquiries, please contact Ms Joey Lau at ugpsyc@hku.hk
